Re: 1% LOT Actual Expenditures Report

In your packets is a 1% Local Option Tax Actual Expenditures Report for the January 2014 – September 2014 period. This report shows the final accounting of all expenditures and budgeted items for that time period. The audit is not complete, but the numbers are expected to change little, if at all.

Based on this accounting, there is \$20,739.40 of 1% LOT funds available over and above what was initially allocated to the contracts for Fly Sun Valley Alliance and Sun Valley Marketing Association and other Sun Valley Air Service Board expenses. This amount is available to be allocated by the Board for additional services.

Once the audit is complete and all revenue and expenditures finalized, there will also be a portion of the existing budgeted 2014 fund balance of \$81,349 (\$50,000 for legal reserve and \$31,349 for unallocated fund balance) that will be available for allocation in early 2015. Once the expense of the 2015 budgeted expenditures and fund balance taken into account, that amount is expected to be approximately \$25,949.

Date: November 24, 2014
Re: Officers for 2015

Section 3.1 of the Sun Valley Air Service Board Bylaws specifies the following with respect to the Officers of the Board:

3.1 Selection of Officers

All officers shall be voting members. As the first item of business at the first regular meeting of the Board at which a quorum is present, the Board shall elect a Chair, Vice-Chair and Secretary/Treasurer. Unless the Board otherwise decides, officers shall rotate every year thereafter, as follows: The representative of the voting member who was the Chair in the prior year shall be the Secretary/Treasurer in the following year, the representative of the voting member who was the Vice-Chair in the prior year shall be the Chair in the following year; and the representative of the voting member who was the Secretary/Treasurer in the prior year shall be the Vice-Chair in the following year.

If the Air Service Board wants to follow the rotation specified in the Bylaws, then effective January 1, 2015, Chair Dewayne Briscoe will become Secretary/Treasurer, Vice-Chair Fritz Haemmerle will become Chair, and Secretary/Treasurer Nina Jonas will become Vice-Chair.

If the Air Service Board wants to have a different set of officers for 2015, then action will need to be taken at the December 3, 2014 meeting to enact a change.
